Sponsor of the Month: A Sponsor of the Month donates money to the museum to be put towards monthly programming. Quality educational programs can be more than \$300 for just one show, and we cannot host those wonderful programs without some help! By becoming a sponsor, you will be giving children an opportunity to learn and have fun at little to no extra cost for the family. We will thank your company by adding your logo to our Sponsor of the Month wall, thanking you on our Facebook page and website, and sending out a press release.

Touch Tank Sponsor: Once a year, we have our Gulf of Maine Touch Tank thoroughly cleaned, checked, and fixed up by Marine Ecological Habitats Inc. We do this to keep our sea critters healthy and happy, but doing this can be expensive. By becoming a Touch Tank Sponsor, you will be keeping our touch tank animals healthy for another year! We will thank your organization by placing a sponsor sign with your company logo on it next to the touch tank, thanking your company on our Facebook page, and sending out a press release.

Fish Friend: Here at the Coastal Children's Museum, we have both a freshwater and a salt-water tropical tank. While we (and the kids!) love watching our colorful fish swimming around, it takes time and money to keep them beautiful. By becoming a Fish Friend, you will be helping to buy food, supplies, and support staff to clean our tanks. We will thank your company by adding their name and logo to our list of Fish Friends and thanking you on our Facebook page. If you donate \$150 or more, we will send out a press release to local papers,.

Garden Sponsor: If you haven't heard yet, we have just put in a beautiful new pollinator garden in front of the museum. By becoming a garden sponsor, you will be helping the museum keep our gardens full of plants by replacing annuals or any plants that may not have made it through the harsh Maine winters! Not only will this keep the front for the museum looking great, but you'll be helping out our dwindling pollinator friends! We will thank you by adding your company's name to our Garden Sponsor wall, thanking your company on Facebook page, If you donate \$200 or more, we will send out a press release to local papers,

Other: We know that giving a donation to a non-profit organization like ours does not just benefit us, but it benefits the donor as well. If none of the options above sound like something your company would like to do, but you still wish to support your local Children's Museum, please feel free to contact Elise Huff at the museum. We are willing to work out something together so that your company can get the most out of your donation. After all, it's the least we can do.
